Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

The subject property has a relatively unique configuration, including six bedrooms, multiple living areas and accommodation across two levels. After reviewing sales within the prescribed area and period, I reasonably believe fewer than three properties were sufficiently comparable in terms of accommodation, size, standard and overall characteristics. The two sales selected were considered the most relevant available.

Sale outcome
