

Making an Offer

Making an Offer Through Realtair

This agent accepts formal offers for this property through the Realtair real estate sales platforms.

How it Works

Realtair guides you to create an offer and verify your identity, then sends your offer direct to the agent.

Managing the Process

Your Realtair account lets you manage, update or withdraw your offer when it suits you.

If You're Successful

If the vendor accepts your offer, the agent will contact you in the next steps.
