The 5 Ps of Safe Excavation

<https://www.byda.com.au/before-you-dig/best-practice-guides/>

Plan

Plan your job. Use the BYDA service at least one day before your job is due to begin, and ensure you have the correct plans and information required to carry out a safe project.

Prepare

Prepare by communicating with asset owners if you need assistance. Look for clues onsite. Engage a Certified Locator.

Pothole

Potholing is physically sighting the asset by hand digging or hydro vacuum extraction.

Protect

Protecting and supporting the exposed infrastructure is the responsibility of the excavator. Always erect safety barriers in areas of risk and enforce exclusion zones.

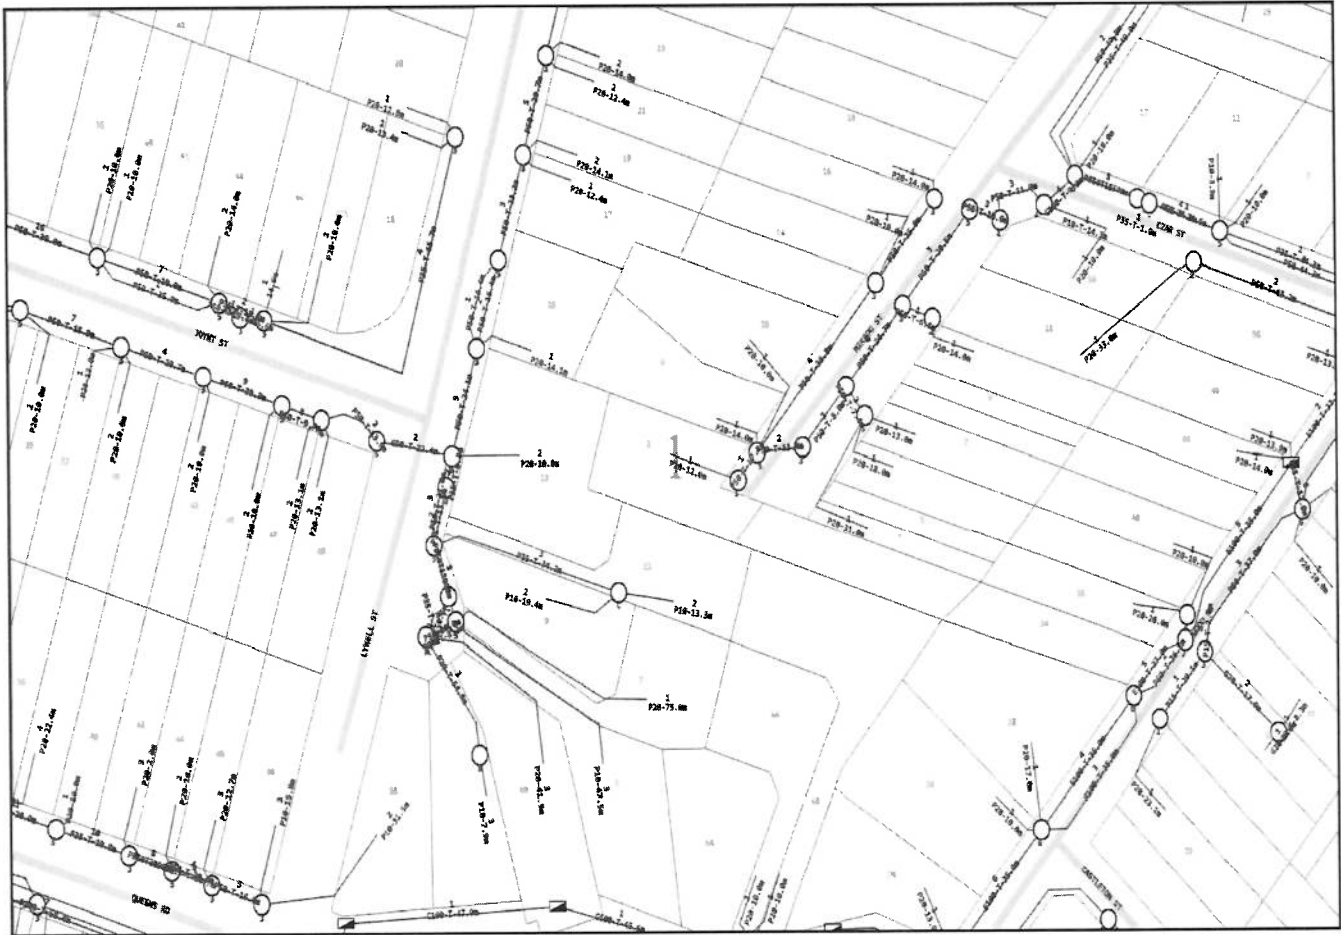

Proceed

Only proceed with your excavation work after planning, preparing, potholing (unless prohibited), and having protective measures in place.

- The Indicative Plan/s show general depth and alignment information only and are not an exact, scale or accurate depiction of the location, depth and alignment of **nbn™** Facilities shown on the Plan/s.
- In particular, the fact that the Indicative Plans show that a facility is installed in a straight line, or at uniform depth along its length cannot be relied upon as evidence that the facility is, in fact, installed in a straight line or at uniform depth.
- You should read the Indicative Plans in conjunction with this notice and in particular, the notes below.
- You should note that, at the present time, the Indicative Plans are likely to be more accurate in showing location of fibre optics and telecommunications cables than power cables. There may be a variation between the line depicted on the Indicative Plans and the location of any power cables. As such, consistent with the notes below, particular care must be taken by you to make your own enquiries and investigations to precisely locate any power cables and manage the risk arising from such cables accordingly.
- The information contained in the Indicative Plan/s is valid for 28 days from the date of issue set out above. You are expected to make your own inquiries and perform your own investigations (including engaging appropriately qualified plant locators, e.g BYDA Certified Locators, at your cost to locate **nbn™** Facilities during any activities you carry out on site).

We thank you for your enquiry and appreciate your continued use of the Before You Dig Australia Service. For any enquiries related to moving assets or Planning and Design activities, please visit the **nbn Commercial Works** website to complete the online application form. If you are planning to excavate and require further information, please email dbyd@nbnco.com.au or call 1800 626 329.

Notes:

1. You are now aware that there are **nbn™** Facilities in the vicinity of the above property that could be damaged as a result activities carried out (or proposed to be carried out) by you in the vicinity of the Location.
2. You should have regard to section 474.6 and 474.7 of the *Criminal Code Act 1995* (CoA) which deals with the consequences of interfering or tampering with a telecommunications facility. Only persons authorised by **nbn** can interact with **nbn's** network facilities.
3. Any information provided is valid only for **28 days** from the date of issue set out above.

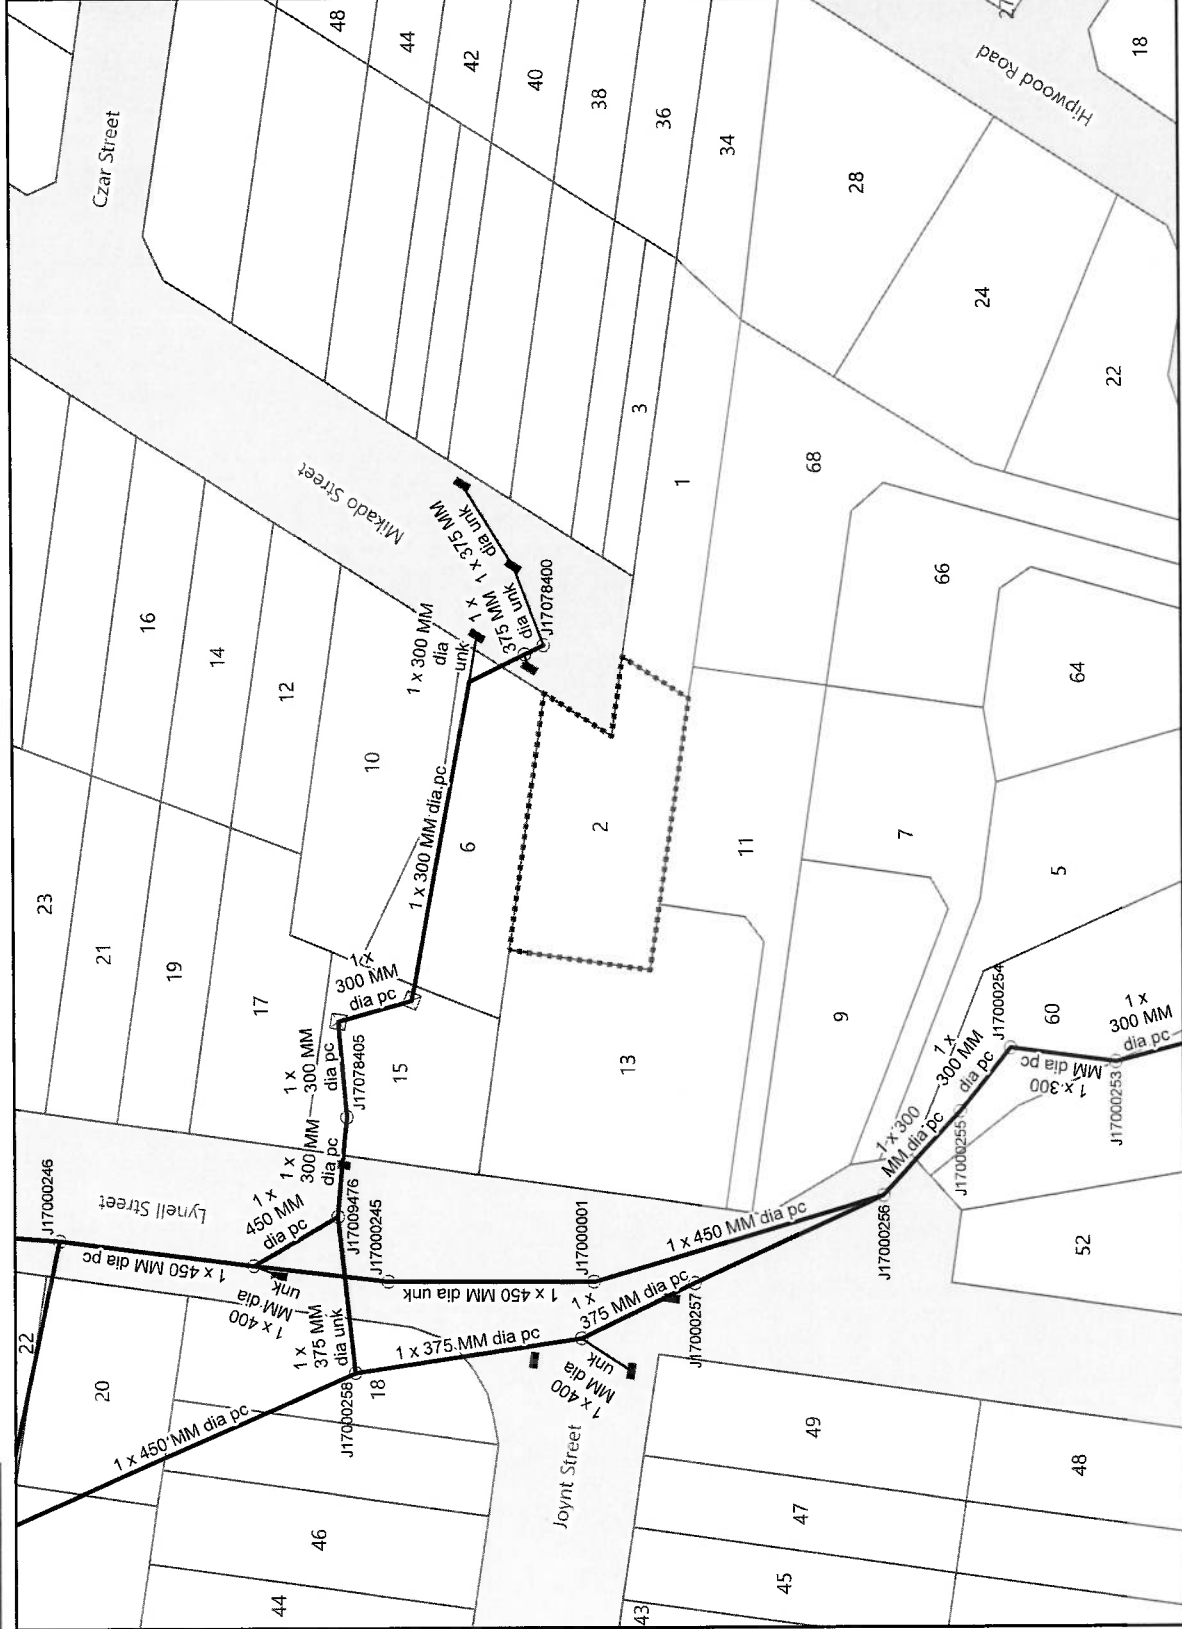

Referral Conditions

The following are conditions on which **nbn** provides you with the Indicative Plans. By accepting the plans, you are agreeing to these conditions. These conditions are in addition, and not in replacement of, any duties and obligations you have under applicable law.

1. **nbn** does not accept any responsibility for any inaccuracies of its plans including the Indicative Plans. You are expected to make your own inquiries and perform your own investigations (including engaging appropriately qualified plant locators, e.g BYDA Certified Locators, at your cost to locate **nbn™** Facilities during any activities you carry out on site).
2. You acknowledge that **nbn** has specifically notified you above that the Indicative Plans are likely to be more accurate in showing location of fibre optics and telecommunications cables than power cables. There may be a variation between the line depicted on the Indicative Plans and the location of any power cables.
3. You should not assume that **nbn™** Facilities follow straight lines or are installed at uniformed depths

FORM 36 - NOTICE OF NO POOL SAFETY CERTIFICATE

EFFECTIVE OCTOBER 2022

Important information

1. Pool owners, including bodies corporate, are responsible for ensuring the barrier complies with the pool safety standard at all times, even after giving or receiving this Form 36.
2. Pool owners may be committing an offence by failing to comply with their pool safety obligations and penalties of up to 165 penalty units may be applied.
3. The owner must complete this form if a pool safety certificate is not in effect when:
 - selling a premises with a regulated pool; or
 - entering into an accommodation agreement (e.g. written, oral or implied agreement for provision of accommodation) for premises associated with a shared pool.
4. It is recommended the seller maintain a record of giving this form to the required parties.

For the seller:

When selling without a pool safety certificate, you need to fill out this Form 36. A Form 36 is completed as part of the contract of sale.

Before settlement you must give a copy to:

- the buyer; and
- the QBCC; and
- body corporate (if you are selling a home, unit or townhouse, where there is a shared pool).

For the buyer:

If you buy a property without a pool safety certificate you must get one within 90 days of settlement. The seller must have given you a Form 36 – notice of no pool safety certificate, before entering into a contract of sale.

For the lessor - non shared (private) pool:

You must get a pool safety certificate before a lease is signed for a house or townhouse with its own non-shared pool.

For the body corporate - shared pool:

The body corporate must also ensure a pool safety certificate is in effect within 90 days of settlement OR the date an accommodation agreement is entered into. A pool safety certificate must be displayed at the main entrance to the premises or at any gate or door giving access to the pool.
