RENTAL APPRAISAL – 1/7 Yew Court, Buderim

Thank you for allowing McGrath Estate Agents the opportunity to provide a rental appraisal for the above property.

We have conducted a market analysis based on the attributes of the property, the location, general outlook, vicinity of amenities and property of a similar construction and presentation recently rented in the area in order to provide you with an opinion of potential rental return.

This appraisal is also based upon the current rental market on the Sunshine Coast and present demand for accommodation in the area.

At this time, we would consider the property could potentially achieve between:

$775 - $800 per week

The above rental appraisal is provided based on vacant possession and satisfactory condition reports prior to occupancy.

If we can provide any further information or assistance, please contact the undersigned.

Yours sincerely,

MCGRATH ESTATE AGENTS
Amy Depledge

Head of Property Management
