Motions

1.1 Minutes

That the minutes of the last general meeting of the owners corporation, held on 27 June 2025, be confirmed as a true record of the proceedings of that meeting.

Note: A copy of the minutes of the previous meeting can be accessed online via your customer portal or by contacting our office.

Motion Result: Passed by Simple Majority

[illegible]

2.1 Environmental Sustainability
That the owners corporation:

a. Consider environmental sustainability within the scheme, including reviewing the common property's annual energy and water consumption and expenditure;

b. Identify potential opportunities to improve environmental performance, including the feasibility of installing or upgrading sustainability infrastructure (e.g electricity meters, solar panels, battery systems, or the use of sustainable building materials)

c. Determine whether to proceed with a feasibility study to assess the viability, costs, and benefits of such improvements and if so authorise the strata committee to undertake the necessary steps to facilitate that study; and

d. Consider any anticipated sustainability-related works or upgrades when preparing the capital works fund plan and approving capital works fund budget estimates

Motion Result: Passed by Simple Majority
No further action required at this time

2.2 Capital Works Fund Plan
That the owners corporation confirm receipt of the capital works plan prepared by committee dated 30 June 2023 and determine any further action required including (but not limited to) provision of an updated plan.

Motion Result: Passed by Simple Majority
An updated plan will be available prior to the next Annual General Meeting

2.3 Annual Fire Safety Statement
That the owners corporation consider the current annual fire safety statement dated 21 July 2025 and determine any action required.

Motion Result: Passed by Simple Majority
Copies of the relevant statement will be included with each future Annual General Meeting Notice

2.4 Annual Fire Safety Statement – Engagement of Fire Safety Practitioner
That the strata managing agent be instructed to engage an accredited fire safety practitioner for the next annual fire safety statement, to inspect, assess and verify all fire safety measures applicable to the scheme and provide the annual fire safety statement, noting the current appointed fire safety practitioner is Onzfire Services Pty Ltd.

Motion Result: Passed by Simple Majority

2.5 Annual Fire Safety Statement - Authority to Execute
That the owners corporation authorise either a strata committee member or the strata managing agent to execute the annual fire safety statement on their behalf including authority to affix the common seal of the owners corporation in accordance with the Act if required.

Motion Result: Passed by Simple Majority

2.6 Window Safety Devices Reinspection
That the owners corporation undertake an inspection of all window safety devices installed to windows within the scheme to ensure the owners corporation comply with their obligations under the Act and that the appointment of an appropriately qualified contractor to undertake this inspection be delegated to the strata committee. Further, that the strata managing agent be instructed to issue a work order for this purpose.

Motion Result: Defeated by Simple Majority
There are no windows requiring the devices under the current regulations

2.7 Window Safety Devices - Installation
That following the inspection of window safety devices the owners corporation authorise the strata committee to make arrangements for the installation, maintenance, or repair of any required window safety devices within the scheme to ensure the owners corporation comply with their obligations under the Act.

Motion Result: Defeated by Simple Majority

2.8 Safety Audit Report
That the owners corporation appoint a consultant to undertake a safety audit report of the scheme to identify any risks that may affect the common property. Further, that the strata managing agent be instructed to obtain quotations for this purpose for review and approval of the strata committee.

Motion Result: Defeated by Simple Majority

2.9 Asbestos Survey
That the owners corporation appoint a consultant to undertake an asbestos survey of all common property (including the roof cavity) for the existence of loose-fill and friable asbestos, including the establishment of an asbestos register and management plan if asbestos is found in the scheme.

Motion Result: Defeated by Simple Majority

2.10 Lift Certification
That the owners corporation;

a. obtain an annual safe to operate/maintenance certificate (certificate) from the current lift maintenance contractor for the purpose of registration of the lifts with Safe Work NSW; and
b. following receipt of the certificate, that the strata managing agent, building manager or strata committee be authorised to sign under seal any documents required to be lodged for the lift registration with Safe Work NSW; and

Motion Result: Passed by Simple Majority

2.11 Pest Management
That the owners corporation engage an appropriately licensed contractor to undertake an inspection of the common property to identify and treat any areas of concern for the prevention of pests. Further, that the strata managing agent be instructed to issue a work order for this purpose.

Last Inspection completed: 20 October 2025.

Motion Result: Passed by Simple Majority
Quotations will be sought from the last two contractors used in this regard, if possible, and the most recently used contractor will be asked to comment regarding the chemicals used causing discolouration of surfaces within units.

2.12 Termite Management
That the owners corporation engage an appropriately licensed contractor to undertake an inspection of the common property to identify and treat any areas of concern for the prevention of termites. Further, that the strata managing agent be instructed to issue a work order for this purpose.

Motion Result: Defeated by Simple Majority

2.13 Backflow prevention devices
That the strata managing agent be instructed to engage a suitably qualified contractor to undertake the testing and provide certification of all RPZ (backflow devices) at the scheme and lodge the appropriate certifications with local council. Further, that the strata managing agent be instructed to issue a work order for this purpose.

Motion Result: Passed by Simple Majority

2.14 Residual Current Device Testing
That the strata managing agent be instructed to engage a suitably qualified contractor to undertake the two (2) yearly testing of all common property residual current devices (RCD's) at the scheme. Further, that the strata managing agent be instructed to issue a work order for this purpose.

Motion Result: Passed by Simple Majority
Two quotations will be referred to the strata committee
