Reason there are fewer than three comparable properties

☐ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

We reviewed sales within 5 km of the property during the preceding 18 months. We did not identify any comparable vacant residential land sales. The sales reviewed differed materially from this allotment because differences in land size, location, allotment configuration, development potential, title status and surrounding development. The sales reviewed included allotments that were materially larger or smaller than the subject property, were located in different residential areas, or had different development characteristics and planning considerations. We therefore believe fewer than three comparable properties were sold within the relevant period.

Sale outcome
