To whom it may concern,

RENTAL APPRAISAL 21 Pacific Highway, Ourimbah

McGrath Property Management is pleased to provide a rental appraisal for the 3-bedroom residence at the above-mentioned address. In our professional opinion, the property, in its current condition, would achieve approximately **\$650.00 - \$700.00** per week in the present rental market.

Based on current market conditions and comparable properties in the area, shopfronts of a similar size are generally achieving around **\$600–\$700** per week, depending on location, exposure and overall condition.

The mobile home would likely achieve around **\$400–\$450** per week, depending on presentation, size and inclusions. Please note that granny flats or secondary dwellings require the appropriate council approval and compliance in order to be legally leased.

This appraisal may vary depending on the supply and demand of other properties at the time of renting. Please note as a property investor you should be aware that rents can fluctuate at different times of the year and are mainly determined by the market and vacancy rate. In addition, this rental appraisal is subject to the property meeting both Council and Fair Trading compliance requirements.
