Disclaimer:

This appraisal is solely based on the online viewing of the property with a link provided by the owner/agent in combination with median market prices for comparable properties at the time of the appraisal; all construction has been considered to be compliant, within guidelines/regulations and approved by relevant authorities.

The agency's commission fee per booking varies based on the property's availability throughout the a year; the commission rate calculated for this appraisal is determined by the property's status as a full-time holiday rental.

In addition to the rent, guests are responsible for a cleaning and linen hire fee. The owner will only be charged for these services if they choose to utilise them personally. Optional regular property services such as garden or pool maintenance are available at the owner's expense. Please note that utility expenses, including water, electricity, and Wi-Fi, are also covered by the owner.
