Looking to invest?

Here at McGrath, we manage a diverse portfolio of both permanent and holiday rentals, each with a tailored strategy to achieve the best possible outcomes for our clients. We'd be delighted to provide you with both a permanent and holiday rental appraisal for 44 Seaview Street, Mollymook.

Based on rental returns from similar Holiday properties, we believe the following tariffs could be achieved:

Peak Season: \$700 - \$800 per night

Mid Season: \$500 - \$600 per night

Low Season: \$350 - \$400 per night

Our opinion is based on comparable rental properties and a detailed analysis of the current market. For a permanent tenancy, we believe this property could achieve a rental return of \$675 for the main house and \$500 for second dwelling.

We would love the opportunity to work with you to maximise the return on your investment. Our dedicated team will manage every detail, giving you peace of mind and the confidence that your property is in expert hands.
