Property Overview

Nestled in a quiet pocket of Cedar Creek, accessed via Mount O'Reilly Road through Samford Valley, this elevated acreage retreat combines privacy, convenience and breath-taking natural beauty. Enjoying a prized north-eastly aspect, this flexible family home welcomes cooling mountain breezes and uninterrupted views across rolling hills, hidden valleys and the striking D'Aguilar mountain range.

Designed to evolve with family life, this versatile home reveals a spacious and flexible floorplan, where multiple living zones balance connection, retreat and functionality with ease. Expansive glazing and seamless indoor-outdoor integration invite the landscape in, creating a constant connection to the stunning surrounds.

- Elevated 5.8-acre holding with prized north-east aspect and sweeping D'Aguilar Range views
- Privately positioned on a quiet no-through road in a tightly held Cedar Creek pocket
- Spacious and flexible two-level family home designed for evolving and multi-generational living
- Four-bedroom layout including a luxurious master retreat with verandah access and elevated outlook
- Three bathrooms, including ensuite to master and a well-positioned downstairs bathroom ideal for entertaining
- Multiple living zones providing excellent separation, functionality and versatility
- Light-filled open plan living with seamless indoor-outdoor integration and expansive glazing
- Entertainer's kitchen with quality appliances and a striking glass roof feature
- Dual outdoor entertaining zones, including front verandah overlooking the pool and panoramic vistas
- 10m x 5m inground pool with poolside gazebo creating a private lifestyle retreat
- House yard with space for gardens, chook pen and future improvements
- Flat pad below residence offering potential for a second dwelling or additional infrastructure (STCA)
- 50,000L rainwater storage, 5kW solar system and Starlink internet connectivity
- Conveniently located just 8 minutes to Samford Village and approximately 40 minutes to Brisbane CBD and airport

Feature Overview

This thoughtfully appointed acreage residence delivers a lifestyle of comfort, functionality and versatility, with a well-considered layout suited to families of all stages. At its heart, open plan living connects effortlessly to multiple entertaining zones, anchored by a well-equipped kitchen designed for everyday ease. Outdoors, a private pool setting, usable land and established infrastructure support both relaxation and self-sufficiency, while additional space offers flexibility for future enhancements or extended living (STCA).

The Home

- Solid concrete and besser block construction with rendered finish
- Custom-built by the current owners in 1991 and later enhanced through a thoughtful renovation in 2005
- Spacious two-level design with a flexible family layout
- Elevated main living level capturing a north-east aspect and sweeping views across Cedar Creek to the D'Aguilar Range
- High ceilings and expansive glazing enhance natural light and create a strong connection to the outdoors
- Open plan kitchen, living and dining featuring warm timber accents and seamless flow to front and rear alfresco areas
- Separate sunroom/lounge upstairs plus rumpus room downstairs, offering excellent separation and versatility
- Well-appointed entertainer's kitchen with stone benchtops, dual Bosch ovens, Asko induction cooktop, Euromaid dishwasher and striking glass roof feature
- Private master retreat with patio access, walk-through wardrobe and ensuite
- Three additional bedrooms with built-in robes and outdoor access
- Family bathroom with freestanding bathtub and statement corner picture window, plus additional downstairs bathroom ideal for guests or multi-generational living
- Mix of tiled and carpet flooring throughout
- Insulated ceilings for year-round comfort
- Double garage with remote access and internal entry
- Spacious laundry with external access
