Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

The property stands out with its brand-new construction, premium finishes, desirable corner position and independent street frontage, with only two residences on the block. As there are limited recent transactions that truly reflect the property's exceptional quality, architectural design and overall offering we have selected less than 3 comparable properties. The property's position along a busier thoroughfare has also been taken into consideration, with the pricing reflecting this location factor.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
